

Juniors

The event had a good entry this year with 10 teams overall. Tunbridge Wells were clear champions in the U-15 group with a 7-0 win over Orpington, the second team. They were also strong in the U-19 section but were just pushed into second place by the team from Maidstone/Ashford.

North Foreland fielded two teams this season. The Under 15's had a good start to the day by coming out on top against Medway but were then faced with some tough opposition against Orpington and the eventual winners Tunbridge Wells. The under 19's had 5 teams to play against and although we were missing 2 of our strongest girls, as a team they put up a good fight. We picked up a few games throughout the day and had some close games against some tough opposition but in the end Maidstone/ Ashford took the title. All in all a very good day that was well organised and was enjoyed by all. All the North Foreland players gave 100% and the team cohesion was amazing. It was good experience for all the players and you can tell the progression our juniors have made throughout the year. Thank you for everyone's support and bring on next year! Thanks to Lisa and Lesley for their organisation on the day.

Seniors

With 6 teams entering this year the event had to be organised into 2 divisions of 3 with an adjusted programme of play— a division of 6 would take far too long. Division 1 was very close with all the teams winning one tie and losing one. In Division 2 Medway were the clear winners. There were many close games and the players all seemed to enjoy the day although the format we used is not ideal and hopefully we will have a full set of 8 entries next year.

North Foreland were in the first division having been runners-up last year and winners in the previous (pre-COVID) outing. It was all very close but we finished 3rd. Our team was – Ella, Julie, Rhea, Mili, Maria, Ethan, Ali, Tom and Rob.

Thanks to Ethan and Mike for looking after the team.

Results

There is a summary of the event outcome on the Kent website and if anyone would like a full set of all the results (all the scores) they have been issued to the teams.
